IV. Presentation of the grammar material.

Grammar reference: There is—жекеше түрде

There are—көпше түрде

Passive voice—Ырықсыз етіс

Ырықсыз етіс деп істі кімнің істегені көрсетілмей, не істегендігі көрсетілген етістіктің түрін айтамыз.

A passive verb is a form of *be+a passive participle*. e.g. is bought, are cleaned, was worn, were written. We form negative and questions in the same way as in active sentences.

Milk isn't bought by me.

Where is the bread baked?

The room hasn't been cleaned yet.

We use *be+a passive participle* after *will, going to, can, must*.

The exercises will be done tomorrow.

The exercises are going to be done.

The exercises can be done orally.

The exercises must be done in time.

V. Practice. ex. 3a), p. 71.
